FULTON COUNTY GOVERNMENT

Major Infrastructure Improvements to Be Unveiled on Campbellton Road

Ribbon cutting celebrates road, street and infrastructure efforts in Sandtown community

- WHO:** Emma I. Darnell, Fulton County District 6 Commissioner
Management and staff of the Fulton County Public Works Department
- WHAT:** Following a year and a half of work to a 2.3 mile stretch of Campbellton Road starting at Reynolds Road and ending on Enon Road, Fulton County work crews will officially unveil the section of roadway and its many changes to the Sandtown community. The project consisted of 10-foot wide sidewalks, curb and gutter, 2-foot grass strip, and drainage along both sides of Campbellton Road. These sidewalks are the first links to a series of surrounding projects that will help create a walkable and livable environment within that section of the county's southern end. These future projects include Campbellton Road/Boat Rock/New Hope Road Roundabout and sidewalks at Enon, New Hope and Danforth Roads.
- WHEN:** **Friday, November 18, 2016 11:00am**
- WHERE:** **Sandtown Park
5320 Campbellton Road, SW
Atlanta, Georgia 30331**
